on the CMS 1500 claim form

Do this ...

- ✓ Bill for the surgery on the UB-92 claim form using revenue code 490 and bill type 83X.
- ✓ Enter the CPT code for the surgical procedure in the HCPCS/Rates field (Field 44).
- ✓ The AHCCCS Claims System will classify the procedure at the appropriate ASC level and reimburse the claim accordingly.

Billing for surgeon and anesthesiologist services ...

- ✓ Continue to bill the services with the appropriate CPT and ASA codes on the CMS 1500 claim form.
- ✓ Enter the physician's AHCCCS provider ID number in the "PIN #" section of Field 33.
- ✓ Enter the IHS facility's group billing ID number in the GRP# section of Field 33.
- ✓ The AHCCCS Claims System will reimburse the claim at the lesser of billed charges or the AHCCCS capped fee for the service.
